

NAVITAS TEACHERS & TECHNOLOGY: A GLOBAL VIEW

- First global survey of Navitas teachers on usage and attitudes towards technology
- Survey conducted Sept-Dec 2016; interim findings released for review Jan 2017
- 1,800+ responses received across all Navitas BUs and key regions
- Findings will: support Divisional strategies in technology integration; help in measuring progress against technology innovation targets; guide decisions for teacher professional development; provide evidence of robust and holistic approaches to ongoing improvement.

| | | | |
|-----------------------|--|---|---|
